Important Notes

- All items must be new.
- Do not wash any of the items as they will be considered used.
- Please remove all packaging.

- All emergency kits are carefully planned to make them usable in the greatest number of situations. Due to the fact that strict rules often govern product entry into international countries, it is important that kits contain only the requested items – NOTHING MORE.
- DO NOT include any personal notes, money or additional material in the kits. These things must be painstakingly removed and will delay the shipment.
- UMCOR does require that all patriotic symbols be removed from the kit contents. For example, if an item in a kit has a stamp that contains the American Flag, that stamp must be removed, covered or blacked out.
