# TYPHOON RECOVERY IN THE PHILIPPINES

After two back-to-back devastating typhoons hit the Philippines this year, UMCOR was able to respond immediately through the UMCOR Philippines office. With more than 586,000 residents displaced, the distribution of more than 8,000 food and non-food items in two of the most remote and hardest hit communities was a blessing. Your gift helps these survivors recover and rebuild their lives.

\$10 can provide relief food packets for distribution following a disaster

\$100 can provide Disaster Risk Reduction training to better prepare communities

\$120 can provide farm inputs, such as fertilizer, seeds, and animal feed

\$150 can provide roofing sheets with roofing nails

\$2,500 can build an entire home.

## SAFE WATER AND HYGIENE

**PHOTO: Nile Sprague** 

There are 884 million people around the world who do not have adequate access to safe water. And there are 2.5 billion people who have little or no access to basic sanitation. UMCOR is helping vulnerable communities throughout Africa, Asia, and Latin America gain better access to clean water by locating safe water sources, educating communities, and alleviating diseases of poverty caused by poor sanitation.

\$25 can purchase a bio-sand filter for one family of five in Africa \$100 can provide clean water to a family of four for 15 years in Kenya \$10,000 can build a well in Africa that includes purchasing and transporting necessary supplies, providing hygiene education, and offering maintenance training.
