Assembly Directions

Place all loose items on top of paper. Turn items sideways and slide into the cloth bag. Fold over the top of the bag so loose items don't fall out.

Important Notes

- All patterns for the bag can be found on the Internet at **www.umcor.org**. Go to "Relief Supplies" at the top of the page and click. Scroll down until you find the "School bag pattern" at the bottom of the page.
- All items must be new.
- All emergency kits are carefully planned to make them usable in the greatest number of situations. Due to the fact that strict rules often govern product entry into international countries, it is important that kits contain only the requested items – Nothing More.
- DO NOT include any personal notes, money or additional material in the kits. These things must be painstakingly removed and will delay the shipment.
- UMCOR does require that all patriotic symbols be removed from the kit contents. For example, if an item in a kit has a stamp that contains the American Flag, that stamp must be removed, covered or blacked out.

Packing and Shipping Kits
